# New members

- Swiss footballgolf association
- Right now, one course but they want to grow the sport

## Mission

Describe the purpose of the organization

Our aim is to make Footballgolf in Switzerland popular. A first milestone was the founding of the Association, now we will start to collect members. As we have a big Footgolf-Movement here in Switzerland, we will be able to collect the one or other player from there. Then we will organise a first tournament or even a small championship during 2023.

# Vote for board and new members

- So lets vote!

# Question from the board

- 2-4 Free spots for the board to hand out?

- Since there is a lot of work on tournaments, before and around them, and its very often board members need to work in the tournaments to help the organizer, with ex. gScore, rules and other stuff that comes up.

The board feels that sometimes they want to be able to give spots to pepole that helps out a lot. And that makes the tournament run smoothly.

It can be a player or a board member that works a lot and never gets payed for this time and work they put in.

If an organizer can do the work by themself then they save this money.

What do you think of this?

Other questions?

Thank you for  
joining and  
see you  
next year!
